Filing Instructions

IMPORTANT: Have you filed Report No. 59?

Before filing this report, check under the pink “Last Report Filing Instructions” tab to ensure that the last report has been filed. **Go no further until your Reporter is filed up to date.**

SPECIAL NOTE

The following instructions require you to **REMOVE** all the pages containing the 2007 cases located under the “Full Text Cases” tab card. If you filed the 2006 cases under “Last Year’s Cases” tab card, discard these pages and INSERT pp. 1 — 1,013 from the Full Text Cases tab followed by pp. 1,351 — 1,384 from the Index tab under “Last Year’s Cases” tab. Now file the reporter in accordance with the following instructions. Remove and replace the existing cover page with the new version issued at the start of this release.
