

# CHECKLIST OF PAGES

## RELEASE 64

The following is a complete list of pages that the *Encyclopedia of Information Technology* should contain **after** you have filed **Release 64**. For the most up-to-date version of this checklist, please visit the subscription page at [www.sweetandmaxwell.co.uk](http://www.sweetandmaxwell.co.uk).

The Release number of each page is listed. If a sequence of pages is indicated with the same Release number, all pages in this sequence belong to the same Release. A check of the pages in your looseleaf against this list will confirm whether or not your copy is fully up to date and complete.

If you discover that pages are missing, or that you do not have the most recent version of a page, turn to the Service Information section for advice on whom to consult.
